About Our Auction

Here are some tips on Bids and Bidding. If you want additional information on the Auction, click on the "Help" button above or contact us. Also consider a donation to assist our achieving the fund-raising goal.

A proxy bid allows you to enter the maximum amount you're willing to spend with the goal of winning the item at the lowest possible price. The system will bid for you, up to your maximum proxy bid amount, as additional bids are entered on the item. An exact bid is the amount you want the item's current selling price to immediately jump to. Your bid amount will not change as additional bids are entered on the item.

How do I enter a proxy bid or an exact bid?
To enter a proxy bid, enter your maximum bid amount, click the Proxy Bid button, and then submit your bid. To enter an exact bid, enter your bid amount, click the Exact Bid button, and then submit your bid.

The Auction will close at 8 pm on Feb 18, 2023. Winning Bidders should automatically receive an invoice detailing their winning Bid Items and amounts and provide an opportunity to pay via the link provided on the invoice.
