

Peoria Area Intergroup Association Is Moving...

As many of you have heard, the Intergroup office has had a flood. The roof needs to be replaced, and it will not be fixed until later this spring. The PAIA Board had a few emergency meetings to discuss what should be done. The conclusion was that we needed a new location.

The Board created a committee to review locations available for lease in the central Peoria area. Several locations were toured and evaluated. The committee submitted a report of the locations to the Board. The Board and Steering Committee reviewed the information and voted. In the end, the best location for the new Intergroup office was chosen. We plan to be in the new office location beginning March 4, 2024.

**We welcome you to stop by our new office at
3701 Sheridan Road**

(on the corner of War Memorial and Sheridan, behind the Culligan store)

Toni and the Board/Steering Committee have been very busy making this transition as effective and efficient as possible.

Thank you for your patience and support during this transition.
